Only fish caught within the Whangarei Deep Sea Anglers' Club & NZSFC Angling Rules, incorporating the IGFA Equipment and Angling Regulations, and within the intent of these rules will be recognised. We, as the Committee of the Whangarei Deep Sea Anglers' Club, reserve the right to call a witness boat to verify a catch.

### **ESTIMATING WEIGHTS FOR TAGGING**

If you have a concern that you cannot establish the size of a fish whilst it is in the water, an easy method to ascertain its weight is to get an ordinary piece of household ribbon; cut it into 2.3 to 2.4 metres long, with an ordinary safety pin on one end. As the leader comes up, place the tag first, then slip the safety pin over the leader and let the ribbon go down the leader and run along the side of the fish while it is in the water. If the fish is longer than the ribbon, the fish is over 90 kg.

**PLEASE: NO CLEANING OR DISPOSING OF FISH WITHIN THE HARBOUR**
